WORK EXPERIENCE

4Clover: Content Management System (CMS) Website,Video Clip Editor Jun 2026

- Built a full-stack Content Management System (CMS) and video clip editing platform using the **MERN Stack** (MongoDB, Express.js, React.js, Node.js).
- Developed a responsive **admin dashboard** to manage videos, hero sections, FAQs, banners, and platform content through a centralized CMS.
- Designed and integrated a **RESTful API** with TypeScript, enabling secure CRUD operations and seamless communication between the frontend and backend.
- Implemented **JWT authentication** and role-based authorization to secure administrative features and content management.
- Integrated **MongoDB Atlas** for cloud database management and deployed the frontend and backend separately using modern deployment workflows.
- Built a **dynamic multilingual system** with automatic content translation support and locale-based routing for international users.

PROJECT EXPERIENCE

Web-Based: CRUD + Payment Gateway using Midtrans Sep 2025

- Built a full-stack platform leveraging the Next.js framework, implementing robust backend API routes to process payments via Midtrans.
- Implemented robust CRUD (Create, Read, Update, Delete) functionalities to enable dynamic data manipulation.
- Developed a robust authentication system featuring secure user login, registration, and strict data validation to ensure data integrity.
- Connected the application backend to MongoDB, utilizing Mongoose for structured schema design and seamless data modeling.

World University – Web-Based: Front-end design with RestAPI (*React*) Mar 2026

- Designed and developed a **front-end** platform that fetches and displays real-time data for all countries globally via the **RestCountries REST API**.
- Implemented real-time data fetching using **Axios** to stream live API data into the website.
- Developed an **interactive map feature using the react-simple-maps** library to enhance data visualization.
- Developed user-friendly features such as multi-criteria **search, filtering, and detailed country** profiles using real-time API data.
- Designed responsive UI using **Tailwind CSS** and improve user experience animation using **Motion Frame/Motion.**

IoT Smart Speaker with I2S DAC Architecture and Wireless Streaming May 2026

- Developed an IoT speaker system utilizing an ESP32 microcontroller and designing the wiring schematics.
- Developed Digital Signal Processing (DSP) algorithms in C++ for real-time audio manipulation and filtering.
- Configured Bluetooth A2DP on the ESP32 to enable stable wireless audio streaming and playback control from mobile devices.
- Integrated an I2S DAC for high-fidelity digital to analog conversion, enabling seamless wireless audio streaming via Bluetooth A2DP.

EDUCATION

SMK Prestasi Prima, Jakarta — Juni 2022 – May 2025

Computer and Network Engineering

Binus University (Universitas Bina Nusantara), Alam Sutera — Aug 2025 – Present

Bachelor of Computer Science

LEADERSHIP ACTIVITIES

Vihara Prajapati's Vesakh Day Celebration, Jakarta — May 2025

Chairmant

- Leading a committee consisting of 15 people to successfully organize and carry out the Vesakh Day celebration, which is attended by more than 48+ people.
- Coordinated internal meetings and managed end-to-end event operations to ensure the ceremony ran smoothly and solemnly.

CERTIFICATIONS

Computer and Network Engineering Certificate — Mar 2025

GMEDIA PT Media Sarana Data

Computer and Network Engineering Qualification Level II — Aug 2025

Indonesian Professional Certification Authority

MERN Stack Course — Sep 2025

WPU Course, Bandung

LANGUAGES AND SKILLS

- Bahasa Indonesia (Native), English (Intermediate – Conversational Proficiency)
- Ms. Word, Canva, Figma.
- ChatGPT, Ms. Access, Ms. Power BI, Ms. PowerPoint, Ms. Teams, Adobe Photoshop, Adobe Premiere Pro.
- JavaScript, TypeScript, HTML, CSS, React Native, React, MongoDB, NodeJS, ExpressJS, Tailwind CSS, C, C++, NextJS.
- Passionate in: Web Development, Fullstack Development, Software Development, IOT Development, Network Engineering.
